## Lower Floors Plan

Since 1965, 'Natu Paranjape Group' has been building landmarks across the skylines of Mumbai, Thane, Pune & Bengaluru. Our construction is a blend of fine engineering, perfect planning and a personalized touch to every detail. Little wonder then, our Residential Clientele - from three generations - has expressed their loyalty towards the experience with us.

What delights us the most is, we haven't built just homes... we have built smiles & relationships. And that's a rare achievement!

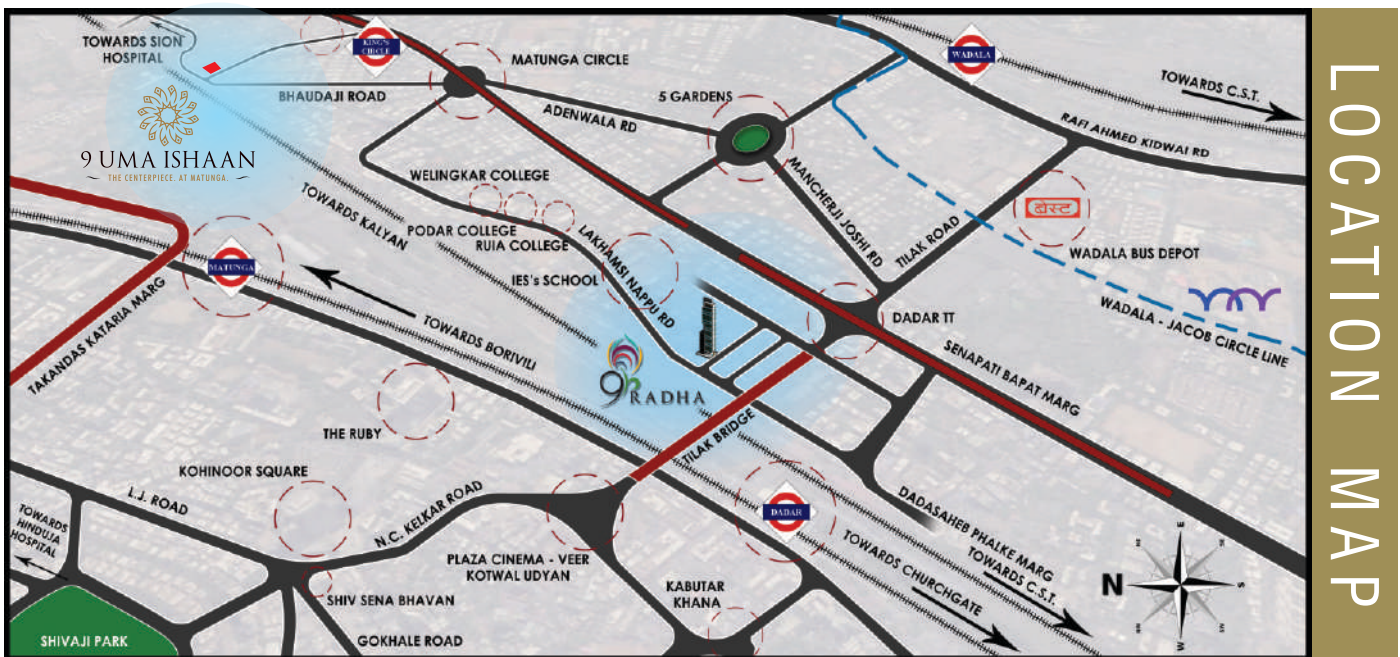

After grand success of "9 Radha", our jewel in the Serenity of Hindu Colony, which is a Stilt + 20 storey with just One Residence Per Floor having options of 2Bhk, 3Bhk and a Penthouse;

Natu Paranjape Group is proud to present their new icon "9 Uma Ishaan" arising in the skylines of Matunga with options of 2 bhk & 3 bhk, ranging from 485 sq.ft. to 747 sq.ft. Carpet area. The project is located on the KA Subramanyam Road, Near SIES School & King Circle Station, 1 km from Matunga (E) Station and top notch educational institutions like King George School, Ruia, Poddar and the Wellingkars.

At Natu Paranjape, we bet you will be delighted to have made the right decision for years to come!
